We are committed to human and environmental justice in our communities through enduring acts of service.

About Centro Hispano de East Tennessee: [https://www.centrohispanotn.org/](https://www.centrohispanotn.org/)
Having lacked a central place in Knoxville where internationals, especially Latinos, could learn English and find resources to help them improve their lives, in 2005, Centro Hispano became a 501c3 non-profit organization with the mission to help Latino neighbors improve their quality of life and become better citizens through education and information services. This is achieved through educational programs for children (after school programs at the Centro office and select elementary schools and a college preparation program) and adults (ESL, Spanish literacy, and High School Equivalency Credentials prep class) and through information and referrals, such as the Spanish Hotline to link Spanish speaking families to important information and services in the community; workshops on finances, legal issues, and healthcare; and a Women’s Wellness Group to provide the necessary tools to Hispanic women for personal-development and well being through education, support, and empowerment.
